

## Lake Anna Must Do's

Every year the staff comes up with our LKA Must-Do's. These are events, places, accomplishments and more we recommend you put on your own list for 2013. Some are challenging others are easily accomplished but no less satisfying. Some require a bit of luck and time. Each features a different way to enjoy the lake and the surrounding area. We want you to be amazed at what you and do when you visit and inspired if you live here.

We encourage you to email us your suggestions for next year's edition. Well, here they are. Enjoy!
